

STATE OF MICHIGAN

JOHN ENGLER, Governor

**Committee to Study Declining Enrollment
In Small School Districts**

TREASURY BUILDING, P.O. BOX 15128, LANSING, MICHIGAN 48901
MARK A. MURRAY, State Treasurer

1. What are the factors that have contributed to a situation of declining enrollment in your school district?

2. What has been the impact on education quality due to declining enrollment in your school district?

3. What types of collaborative arrangements have you entered into with your community, local business and industry, intermediate school district or other organizations to maintain or improve the quality of education in your school district?

4. What alternative education delivery mechanisms have you implemented to maintain or improve the quality of education provided in your school district (Internet courses, two-way video, other)?

5. What other solutions would you suggest for small school districts that are faced with a declining student population to maintain or improve the quality of education provided?

Additional Comments:

Thank you for taking to time to complete this survey. Please return the survey by April 20 to Stephanie Van Koevering by fax **(517) 373-4968** or send it to:
